Nominees for this award do not need to be contacted prior to nomination.

A selection committee of tourism industry representatives will review all submissions using the scoring sheet below.

Nominator's Signature

Date

All submissions will be evaluated according to the scoring sheet below, which are based on the award criteria.

Submissions should include points on all criteria below and will be scored to a maximum of 100 points by the AGM Committee. Submissions must be typed (limit 500 words), and inclusions of support material (letters, newspaper articles, pictures, resumes, listing of other awards received, etc.) are encouraged. Videos can be submitted but may not be viewed by the selection committee. If you wish for the materials to be returned, please ensure they are clearly labeled.

For Committee Use
